3. Unless other arrangements are made, Personal Training sessions, and Program Design explanations (these services herein individually and collectively referred to as "sessions") last approximately fifty minutes. In order to provide the best service to all Clients, Kinetic Movement Systems cannot commit to extending any particular session beyond its previously scheduled time. In those cases where schedules do permit, Clients may request to extend sessions beyond fifty minutes at the current hourly session rate.
  
4. Rates for Kinetic Movement Systems services are subject to change. Services prepaid for by Client, which are unused at the time of any rate change, will be honored at the price already paid.
  
5. Time slots are available on a "first-come, first-served" basis by appointment. Sessions, whether purchased a la carte or as part of a package, must be paid for when the appointment is booked. Client may schedule prepaid sessions in advance.
  
6. In order to provide the best possible service to all Clients, Kinetic Movement Systems asks that all Clients be ready to begin their session at the scheduled time. Time lost at the beginning of a session due to a Client's tardiness cannot be made up at the end of the session as that could potentially impact the next scheduled Client. Unless prior arrangements have been made, a Client will be deemed a "no-show" when they are fifteen minutes late for an appointment. No refunds or credits will be given for "no-shows".
  
7. Regarding cancellations:
  - a. All qualifying cancellations will result in a credit being given which can be applied to a future session or other product or service from Kinetic Movement Systems
  - b. All cancellations must be made with a minimum of 48 hours advance notice in order to receive credit for the session. Due to an inability to fill the previously blocked time period, Cancellations with less than 24 hours notice given will not qualify for a credit and Client will be charged for the session. Cancellations must be made by calling 512-797-1933 to be deemed effective.
  - c. If Client receives credit for a missed session, the credit must be used within 30 days of the missed session, or it will be waived.
  - d. If Kinetic Movement Systems needs to cancel a scheduled session, Client will receive credit for such session.
